VOL. 36 BARIUM SPRINGS, N. C., OCTOBER 1957 No. 10

TWO NEW COTTAGES COMPLETED AND ARE NOW OCCUPIED

Two new cottages have been completed replacing Synod Cottage and Annie Louise Cottage. These two new buildings are one story, fireproof buildings, housing sixteen children each. There are four rooms with two children to the room at each end of the building and in the center are the kitchen, dining-room, play porch, living-room and housemother's rooms.

Great thought and care have been given to the planning of these buildings so as to make them less institutional and more home-like. The boys and girls now living there feel that this has been accomplished and when the furniture has been secured for the living-room and porches the buildings will have quite a home-like atmosphere.

At present the dining-room will be used only occasionally during the week and on Saturday and Sunday evenings, but in the days to come the dining-room will be used more and more and these cottages are capable of being self-contained and providing full living in the event that the central dining-room is ever discontinued.

These cottages have not yet been named but that will be a matter for the Board of Regents to determine at its fall meeting in November.

Twelve New Children Join The Family

A dozen boys and girls have come to Barium Springs to join the others here in the big Barium family. Golden-haired Gloria Traywick from Belmont and Carl Dickson from Southern Pines are in the Baby Cottage. Percy and Leonard Utsman, having been here once before, find coming back a little easier than their first arrival; they are living in Lees Cottage with Mrs. Watson; also, in Lees Cottage is O'Neil Marshburn from Olivia. Carolyn Childers from Lenoir and Mae and Grace Dean Jolly from Taylorsville live in the Lottie Walker Building. Howard Cottage received Carol Watts from Fayetteville and Kay Marshburn from Olivia. Paul Schnitzer from Rocky Mount is living in Stultz Cottage. Jack Brooks of Charlotte, a high school freshman, is living in Johnston Building.

Other applications are being studied and admissions will be made throughout the year. The two new cottages just finished afford additional space and the number of admissions can be larger this year than in any of the recent years.

COTTAGE NEWS

Rumple Hall

Well, we are not the Bean-stringers anymore, instead we are the Rumple Hall Girls. We moved in August. All the girls moved except Diane Kiser and she moved into one of the new cottages. We like it better now because we have our own rooms.

We have ten girls in our cottage who take piano lessons. We enjoy it so much and want to keep on taking.

Vicki Brafford celebrated her birthday on September 28th. Linda Shepherd's birthday was October 1st.

We had a good time at the Fair. We did not want to leave when it was time to come home, we were having such a good time. We certainly are looking forward to Halloween, especially "Trick or Treating." We hope that we can dress up so no one can recognize us.

Well, that's all the news for now.

The Rumple Hall Girls

South Cottage

Hello Everyone—

A lot of new things have been happening recently. We were all excited about the new buildings being finished. We were more excited about who was going to move into them. Almost everyone thought that they might get to live in one of them. Ten of us from Lottie Walker with two new boys from the Baby Cottage, Roger Ruff and Eddie Webb, moved into one of the new buildings. Also, three big boys, Charles McLean, Henry Harris, and Harold Evans, came to live with us. We are liking it.

Another event was the Fair. We all went on September 18th and we had a wonderful time, though it was drizzling rain. We won first prize on our sheep and first prize on our cows, also we won a first prize on our apples. We won fourth place on our school exhibit.

Our minister, Mr. Collins, was gone to West Virginia for a week to preach in another church. We missed him.

Everybody is busy settling down after a fine summer and getting ready for school. It has really turned winter weather in a hurry. We bundled up in winter clothes for several days.

Our birthdays for October are Gregory Lockamy and Dwight Lefler. That about winds up the news with us for this time. We will see you next month, we hope.

ALUMNI NEWS

Charlie and Thelma Sears, from Grandfather Home, Banner Elk, and their two children, Ellen and Dan were visitors on the campus.

Edgar (Pete) Long was a visitor on the campus. He is with the Wright Motor Lines with headquarters in North Wilkesboro.

Ralph and Bobbie Spencer and their family have moved to Lynchburg, Va. where Ralph is connected with the Presbyterian Home.

Betty (Traywick) and Jack Graves and their little girl have moved from Belmont to Lancaster, S. C. where Jack is in business.

Born to Bonnie (Finley) and David Andrews on September 9th in Goldsboro a son, David Mitchell.

Joyce Kelly was a visitor on the campus recently. She is a third year student at the Presbyterian Hospital School of Nursing.

Lawton Rice has entered Lees-McRae College at Banner Elk.

Mac McClure and Oscar Utsman entered the Freshman Class at Davidson College.

Louise Bradshaw is a Senior at Montreat College. Mary Emma McClure has returned to Maryville College where she is a member of the Junior Class.

Our hearts were saddened at the news of the tragic death of Betty Lou Johnson which occurred on September 10th. Betty Lou was killed in an automobile accident near Burlington. Betty Lou graduated in the Class of 1955.

Broten Leads Staff In Week's Study

A very valuable week of in-service training has been concluded under the leadership of Alton M. Broten. The house parents spent daily sessions in discussing the topic "How can I live with my Job?" Also, time was afforded for individual conferences for the members of the staff to discuss with Mr. Broten particular phases of their work or the total program as it affected them in their cottages.

These studies come as a part of the Child Care Project in which the Southeastern Conference and the University of North Carolina in a cooperative effort provide this in-service training. Dr. Alan Keith Lucas, the director, assisted by Mr. Alton M. Broten have scheduled regular study sessions on the campuses of the participating institutions. Also, they afford special information and help during the year and climax the program with the workshops at Chapel Hill during the summer months.

CONCORD PRESBYTERY MEN HAVE RECORD RALLY ATTENDANCE

The Men's Rally of Concord Presbytery set a new record for attendance this year. President Fielding Clark had predicted that a host of men would be present and Barium Springs began to get ready early. Pigs were set aside for barbecue and everybody on the campus was alerted for special duty. And so when the day arrived the tables were set and 1100 pounds of choice meat had been barbecued, slaw had been made, and the beans had been baked, and the drinks and dessert were in place. From five o'clock in the afternoon until 7:20, the men filed by for the barbecue supper. When the line ended more than 700 men had passed the table. The boys and girls and staff members of the Home were busy as bees getting this job done in a grand fashion. Following the supper, the meeting was held in Little Joe's Presbyterian Church. Reports were heard and inspirational addresses were given and the three churches having record attendance were Salisbury First, Bayless Memorial, and Prospect. The First Presbyterian Church in Salisbury took the top place with 62 men in attendance.

This annual event on the campus means a lot of hard work but it also affords great pleasure to the Barium family in rendering service to the Men of the Church.

INTERESTING FACTS AND FIGURES FROM DUKE ENDOWMENT YEARBOOK

The Trustees of The Duke Endowment for the thirty-second consecutive year assisted the child-caring institutions in the Carolinas with their operating expenses. Beginning with 1956 the fiscal year used for requesting assistance from The Duke Endowment ended on September 30 instead of the calendar year, and the 1956 figures in this report are for the nine months' period January 1 through September 30, except as otherwise indicated. Future reports will be for the twelve months' period October 1 through September 30.

In 1956 there were 40 child-caring institutions assisted, 27 in North Carolina and 13 in South Carolina, one more than the number assisted in 1955. For the first time the Church of God Home for Children, Gaffney, South Carolina, which opened on January 1, 1956, was assisted. The name of the Free Will Baptist Orphanage, Middlesex, North Carolina, was changed to the Free Will Baptist Children's Home, and the name of the Christian Orphanage, Elon College, North Carolina, was changed to the Congregational Christian Home for Children.

Bed Capacity at the 40 institutions was 5,428 on September 30, 1956 and 4,632 children were cared for on the average day during the nine months' period January 1 through September 30, 1956.

Children Cared For in the nine months' period ending September 30, 1956 numbered 5,698, of which 2,923 or 51.3 per cent were full or half-orphan children, while 2,775 or 48.7 per cent were children with both parents living. The number of children with both parents dead was 383, being 6.7 per cent of the total. By age groups the number of children cared for were divided as follows: over 12 years of age, 3,067 or 53.8 per cent; between six and 12 years, 2,423 or 42.5 per cent; and under six years of age, 208 or 3.7 per cent. There were 3,003 boys and 2,695 girls cared for during the nine months' period January 1 through September 30, 1956.

Admissions during the nine months' period January 1 through September 30, 1956 totaled 1,063. Of these 1,063 admissions, 993 were new admissions and 70 re-admissions.

Discharges numbered 1,157 during the nine months' period January 1 through September 30, 1956. The 40 assisted institutions on September 30, 1956 were caring for 4,541 children as compared with 4,634 reported by 39 institutions on December 31, 1955.

Days of Care at the 40 institutions totaled 1,268,997 during the nine months' period January 1 through September 30, 1956, with 680,356 or 53.6 per cent being days of care of orphan and half-orphan children. For children with both parents living there were 588,-641 days of care rendered, being 46.4 per cent of the total. The average number of children cared for per day during the period was 4,632 as compared with an average of 4,672 for the 39 institutions during 1955. Direct service to chil-

UNDER THE STEEPLE - Nuggets of News

FROM LITTLE JOE'S CHURCH

REV. ROBERT R. COLLINS, *Minister*

One of the most moving prayers in the Bible is found in Paul's letter to the Ephesians, chapter 3:14-21. In his petition Paul ask that " . . . Christ may dwell in your hearts through faith; that you, being rooted and grounded in love, may have power to comprehend with all the saints what is the breadth and length and height and depth, and to know the love of Christ which surpasses knowledge, that you may be filled with all the fullness of God."

To my mind this prayer offers us one of the finest insights into the life of the great missionary and preacher, and helps to explain why Paul was so successful in proclaiming the gospel of Jesus Christ. I have often wondered what would happen to the life of a church, any church, if there were those who each day would sincerely offer this prayer in its behalf.

Throughout the Synod of North Carolina there are thousands of Presbyterians who have a genuine interest in the work that is being carried out at Barium Springs. Each year churches send gifts that sustain the physical needs of our large family of children. And there are unknown numbers who regularly remember our Home in prayer.

Yet, this year as we move toward that season when you especially think of the Home and the Christian nurture you wish to provide for these boys and girls, I should like to suggest that prayer be a greater part of your offering than ever before. Perhaps you have never considered prayer as an offering, but it is my sincere conviction that intercessory prayer for the spiritual needs of our family Under The Steeple is as essential to our program at Barium Springs as are the gifts of food, money, and clothing. By His own example, Jesus indicated that intercessory prayer was vital to the Christian life. In the Book of the Acts and in the letters of Paul we find repeated emphasis upon the power of prayer.

We are certain of the genuine concern that you have for *your* Home at Barium Springs. Because of this deep love I hope that thousands of you all across the Synod will make Paul's prayer in Ephesians a guide as you remember us often before our Father's throne of grace. It is my firm belief that such a chain of prayer will greatly "strengthen us with the might of his Spirit in the inner man" and we shall indeed be bound together in the love of Christ so that His will may be increasingly known and done in our daily life at Barium Springs.

Blue Ribbons Won At County Fair

Many entries were made at the Iredell County Fair and many prizes were won. The orchard boys had entered their apples, the garden crew had entered vegetables, the farm outfit had entered sheep and hay, and the dairy had entered cows and calves in the Holstein division, and the Elementary School had prepared a booth. Mr. Hanks and his dairy boys won red and blue ribbons and a Grand Champion on the Holstein cow; three blue ribbons went to the orchard boys on their apples, and the garden crew also came in for blue ribbons and prize money for their vegetables. The school and the farm were also winners, and so a whole hand full of blue and red ribbons and nearly $150.00 in cash was brought in.

On Wednesday afternoon of the Fair week the whole grounds were turned over to the boys and girls of Barium. Wearing their school colors, they were the guests of the Statesville Kiwanis Club and, through the courtesy of the managements of The Amusements of America, the whole show was open to them. The dive bomber, caterpillar, roller-coaster, Ferris wheels, Merry - go - round, swings, scrambler, the toy train and cars and ponies, all were running and Barium had a glorious time.

Howard Cottage

Hi! We "Bees" from the "Bee Tree" have moved into Howard Cottage which means that we have turned into the "Bean Stringers." We do not know how the folks in this cottage came to be called "Bean Stringers" because every cottage on the campus whose children are not working on something else share in the bean stringing during the summer and fall. We have lots of fun singing on the back porch while we string the beans for our big dining-room or for canning.

We surely love this big Howard building with lots of space for everybody and a kitchen of our own.

The Fair was wonderful, but the whole afternoon seemed like only a few minutes—we wish that it had not been so short.

We have two new girls, Carol, ten years old, and Kay, 6 years old. They are lots of fun and Kay keeps us laughing over the cute funny way she says things.

Our big, red, juicy Barium apples are delicious. One grade even made a play about them a year ago. They taste so good when we come home from school every afternoon.

ume to you on the 1955 Thanksgiving poster.
n 1955. While she is busy with books, his first

dren in foster homes was provided by three institutions and they reported a total of 40,326 days of foster care rendered, with 10,426 days or 25.9 per cent being for orphan and half-orphan children. The Trustees of The Duke Endowment assisted these three institutions in the foster home care of orphan and half-orphan children on the same basis as for care rendered in the institutions.

Employees at the 40 institutions numbered 1,031 in the period January 1 through September 30, 1956, which was an average of one employee for every four children based on the average number of children cared for per day.

Schools. A total of 4,876 institution children were enrolled in schools during the 1955-56 school term. Of the total enrollment, 2,622 or 53.8 per cent were enrolled in schools maintained at the institutions, whereas 2,254 or 46.2 per cent attended public schools away from the institutions.

Mothers' Aid and Foster Home Care. Two institutions provided assistance to 38 mothers and 101 children in their homes during the nine months' period January 1 through September 30, 1956. Foster home care was provided 202 children on a direct service basis in three institutions during the nine months' period.

FINANCES

Plant Values and Investments. The 40 assisted institutions reported a plant investment on September 30, 1956 of $24,489,290, divided as follows: land, $3,273,631; buildings, $17,415,435; equipment, $3,502,590; and live stock, $297,634. Based on the average number of children per day, the average investment per child was $5,287 at the 40 institutions. On September 30, 1956, 26 institutions reported a total of $11,367,300 held in invested funds.

Indebtedness, capital and operating, amounted to $748,434 on September 30, 1956, which represented an increase of $27,273 or 3.8 per cent over the figure on December 31, 1955.

Operating Receipts for the nine months, January 1 through September 30, 1956, totaled $4,174,769.

Operating Expenditures totaled $4,034,420 for the nine months' period January 1 through September 30, 1956. Excluding extra-institutional services, the average cost per child per day was $3.18 for the nine months' period January 1 through September 30, 1956, an increase of $.27 or 9.3 per cent over the average cost per child per day for the calendar year 1955. Using the average cost per child per day as a base at the 40 institutions, the average cost per child per year (366 days) was $1,163.88, an increase of $101.73 or 9.6 per cent over the figure for the calendar year 1955.

Capital Expenditures during the nine months' period January 1 through September 30, 1956 totaled $1,675,268.

The Duke Endowment for the nine months' period January 1 through September 30, 1956 assisted 40 institutions covering the days of care rendered orphan and half-orphan children in the amount of $281,344.87, which included $4,246.35 for the care of orphan and half-orphan children under institutional supervision in foster homes. The Children's Home Society of North Carolina, Greensboro, North Carolina, was assisted in a special program in experimenting in the placing of older institution children for adoption in family homes and $5,000.00 was provided to assist this program during 1956. There were 28 institutions, including the Children's Home Society of North Carolina, located in North Carolina which were assisted in the amount of $204,753.55 and which, when added to the 13 institutions located in South Carolina receiving assistance in the amount of $81,591.32.

SCENES AROUND THE CAMPUS

Everyone helping new students, Carolyn Childers, Mae and Dean Jolly, learn to skate.

One of the little new boys, Paul Schnitzer, stealing the show at Gym party with his dance act.

Boys lining up twice daily for their vitamin tablets and their remarks.

The 50-pound boys trying on their midget football uniforms and having to weigh to convince themselves that they have not suddenly gained another 50 pounds. Larry and Leon Waters, Howard Cox and Paul Schnitzer were still not convinced that scales were correct.

First graders, Eddie Webb and Roger Ruff, going on their first hunt with Mr. Steele to run beagles.

Some of the boys and girls who have received new school jackets wearing them while others are in short sleeves due to the heat.

The old dental chair moved from infirmary to Stultz Quad and converted into a Barber Chair, being checked over by boys, large and small.

Richard Ward, John Bolton, Kenneth Davis, and Johnny Shepherd, readying their rabbit traps.

Dan McLaurin resenting the squirrels carrying off all the pecans from the Quad tree.

James Kiser explaining to other boys how he broke the Quad's first gallon of cider—it was an accident.

Douglas Finley and Dan McLaurin delivering a bushel of apples to each cottage and sampling each box.

Some sad faces at mail call?
